

Cora J. Belden Library

The Dog Days of Summer!

Beat the heat with these cool programs.

Entering grades 2-5 from 11:00-12:30

Entering Pre-K (4 years old) – Grade 1 from 3:00-4:30

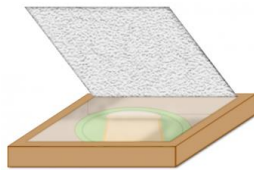

No sign-ups required!

Tuesdays

Solar Ovens - August 1

Harness the power of the sun with this make-and-take project. You will build your own solar oven and use it to make some delicious s'mores! Meet outside on the North Lawn.

Sink or Float - August 8

Learn what makes an object sink or float, then build a boat of your own. Will your boat be able to stay afloat? Meet outside on the North Lawn.

Tower Challenge - August 15

Are you a master architect or engineer? Come test your skills by building the tallest building you can using nothing but paper and tape!

Speed Racers - August 22

Learn about axles and wheels as you build your own car. Will yours be the fastest down the track?

Thursdays

Community Art Project - August 3

Help us build community by adding your own touch to our library mural.

Friendship Bracelets - August 10

Use beautiful colors to create your very own friendship bracelets. Trade them with your friends, give them as gifts, or keep them for yourself!

Kindness Rocks - August 17

Help spread some kindness and joy by painting small rocks to hide throughout our community.

Card Making - August 24

Make the day of someone in our community by creating a card! Cards will be distributed to local nursing homes and retirement facilities.

33 Church Street, Rocky Hill, CT 06067 860-258-7621 www.rockyhillct.gov/library
