

MINECRAFT Club

@ Cora J. Belden Library

The Cora J. Belden Library is excited to kick off its **new Minecraft Club this summer for Grades 3 - 5 & 6 - 12!** The library has setup brand new Minecraft servers that you can use to play together with your friends.

In order to use the servers:

- **You must own the PC version of Minecraft**
- **You must have a valid library card number**
- **You must join the server by visiting the library in person**
- **You must bring your own device to play during the Minecraft Club Meeting Dates**

Players can log into the servers from anywhere they have an internet connection after they have been accepted into the server. The library will also be having meeting times so that you can play together with your friends!
