

RESOLUTION APPROPRIATING \$10.5 MILLION FOR A  
ROCKY HILL COMMUNITY/SENIOR CENTER AND  
AUTHORIZING THE ISSUE OF \$10.5 MILLION BONDS OF  
THE TOWN TO MEET SAID APPROPRIATION AND  
PENDING THE ISSUANCE THEREOF THE MAKING OF  
TEMPORARY BORROWINGS FOR SUCH PURPOSE

Section 1. The sum of \$10.5 million is appropriated for the planning, acquisition and construction of a Rocky Hill Community/Senior Center (the "Project"). The Project shall be built as an addition to the Community Center, or at such other location, on existing or to be purchased town property, as determined by the Town Council. The Project shall consist of land, buildings, parking, traffic flow, utilities, HVAC and infrastructure, meeting, social, food service, education office and exercise spaces, exercise, and computer equipment, desks and furnishings and such other facilities, improvements and appurtenances related or incidental thereto, architectural, engineering and other consultant services as required and including legal, printing, administrative, debt administration and financing costs, or so much thereof, or such additional improvements as may be obtained within the foregoing appropriation.

Section 2. The total estimated cost of the Project is \$10.5 million and is expected to be paid from the proceeds of bonds authorized herein.

Section 3. To meet said appropriation, \$10.5 million bonds of the Town or so much thereof as shall be necessary for such purpose, shall be issued, maturing not later than the twentieth year after their date, or such longer period as may be permitted by law. Said bonds may be issued in one or more series as determined by the Town Manager and the Director of Finance (the Town Manager and the Director of Finance hereinafter the "Town Officials"), and the amount of bonds of each series to be issued shall be fixed by the Town Officials. Said bonds shall be issued in the amount necessary to provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, printing and legal costs of issuing the bonds, and provided further supplemental legislative grant funding is hereby appropriated and may be expended as an additional appropriation without bond issuance reduction if such legislation is intended to offset ineligible expenses or other cost overruns and to maintain approximately the original estimated town net dollar project funding. Capital project revenues, including bid premiums and investment income derived from investment of bond proceeds (and net investment income derived from note proceeds) are authorized to be credited by the Director of Finance to the project account and expended to pay project expenses customarily paid there from, provided that such expenditure shall be applied against the appropriation and bond authorization which shall be reduced by the amount of capital project revenues so applied and credited. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, or, be combined with other bonds of the Town and such combined issue shall be in the denomination per aggregate maturity of \$1,000 or a whole multiple thereof, be issued in bearer form or in fully registered form, be executed in the name and on behalf of the Town by the manual or facsimile signatures of the Town Officials, bear the Town seal or a facsimile thereof, be certified by a bank or trust company designated by the Town Officials, which bank or trust company may be designated the registrar and transfer

agent, be payable at a bank or trust company designated by the Town Officials and be approved as to their legality by Joseph Fasi LLC, Bond Counsel. They shall bear such rate or rates of interest as shall be determined by the Town Officials. The bonds shall be general obligations of the Town and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon, and shall be paid from property taxation to the extent not paid from other sources. In connection with the issuance of any bonds or notes authorized herein, the Town may exercise any power delegated to municipalities pursuant to Section 7-370b, including the authority to enter into agreements moderating interest rate fluctuation, provided any such agreement or exercise of authority shall be approved by the Town Council. The aggregate principal amount of the bonds to be issued, the annual installments of principal, redemption provisions, if any, the date, time of issue and sale and other terms, details and particulars of such bonds, shall be determined by the Town Officials, in accordance with the General Statutes of the State of Connecticut, as amended.

Section 4. Said bonds shall be sold by the Town Officials in a competitive offering or by negotiation, in their discretion. If sold at competitive offering, the bonds shall be sold upon sealed proposals, auction, or similar competitive process at not less than par and accrued interest on the basis of the lowest net or true interest cost to the Town. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least five days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds.

Section 5. The Town Officials are authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. Notes evidencing such borrowings shall be executed in the name and on behalf of the Town by the manual or facsimile signatures of the Town Officials, bear the Town seal or a facsimile thereof, be payable at a bank or trust company designated by the Town Officials, be approved as to their legality by Joseph Fasi LLC, Bond Counsel, and be certified by a bank or trust company designated by the Town Officials, pursuant to Section 7-373 of the General Statutes of Connecticut, as amended. They shall be issued with maturity dates which comply with the provisions of the General Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the Town and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the Town are pledged to the payment of the principal thereof and the interest thereon, and shall be paid from property taxation to the extent not paid from other sources. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the project. Upon the sale of said bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 6. Resolution of Official Intent to Reimburse Expenditures with Borrowings. The Town (the "Issuer") hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and after the date of passage of this resolution in the maximum amount and for the capital project defined in Section 1 with the proceeds of bonds, notes, or other obligations ("Bonds") authorized to be issued by the Issuer. The Bonds shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the project, or such later date the Regulations may authorize. The Issuer hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Director of Finance or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement bonds, and to amend this declaration.

Section 7. The Town Officials are hereby authorized to exercise all powers conferred by section 3-20e of the general statutes with respect to secondary market disclosure and to provide annual information and notices of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution.

Section 8. It is hereby found and determined that it is in public interest to issue all, or a portion of, the Bonds, Notes or other obligations of the Town as qualified private activity bonds, or with interest that is includable in gross income of the holders thereof for purposes of federal income taxation. The Town Officials are hereby authorized to issue and utilize without further approval any financing alternative available to municipal governments pursuant to Federal Law, including but not limited to any "tax credit bond," "Build America Bonds" including Direct Payment and Tax Credit Versions, or analogous obligations, whether currently or hereafter authorized.

Section 9. The Town Clerk is authorized to prepare explanatory text pursuant to C.G.S. section 9-369b.
