**Teaser**  
CTDOT is announcing that construction will be performed on CT River Ferry landings in Rocky Hill and Glastonbury. The contractor has been issued a Notice to Proceed Date of November 02, 2025.

**Body of Message**  
The Connecticut Department of Transportation (CTDOT) is announcing that construction will be performed on CT River Ferry in Rocky Hill and Glastonbury. This project is scheduled to commence on Sunday, November 02, 2025 and be completed on Tuesday, April 21, 2026. The project consists of Connecticut River Ferry Landing Site Improvements including fencing, sidewalk, and lighting improvements to achieve better pedestrian access.

CTDOT Project No.0118-0188 was awarded to Colossale Sitework Corporation at a cost of \$533,335 on September 19, 2025, and is scheduled to be completed April 21,2026. This project is administered by the Bureau of Engineering and Construction, Office of Construction, District 1 in Rocky Hill.

**LANE CLOSURE/DETOUR INFO**

Lane Closures will be conducted in accordance with the Maintenance and Protection of Traffic and Limitation of Operations specifications included in this contract. Lane Closures will not interfere with existing Ferry Operations.
