ARTICLE 6 – SALARIES

Effective July 1, 2021	3.80 % General Wage Increase
Effective July 1, 2022	3.85 % General Wage Increase
Effective July 1, 2023	3.85 % General Wage Increase

Section 1a. Salaries shall be paid on a bi-weekly basis. Employees shall be paid for eighty (80) hours' work at straight time rates irrespective of the number of hours regularly scheduled to work during the bi-weekly pay period. This shall mean an employee scheduled to work nine (9), ten (10), or eleven (11) days during the bi-weekly pay period shall receive eighty (80) hours pay at straight time rates.

Pay for assigned overtime shifts, private and public duty assignments, and other assignments over and above an employee's regular shift shall continue to be paid in accordance with pertinent sections of this contract.

In the event of the employee's termination, the first paragraph of this section shall not apply. In this instance, the employee's final pay for work on regularly scheduled shifts shall be based upon the actual number of regular shifts worked.

Section 1b. Employees promoted within the Police Division shall advance to the next higher step on the wage scale but not less than their salary at the time prior to promotion.

Section 2a. Private Duty. An employee scheduled to work a private duty job (private duty is defined as a job requested by and paid for by a private entity) for any firm or individual will be paid for a minimum of four (4) hours, any time worked after the first four (4) hour block will be paid in additional four (4) hour blocks for each four (4) hours or portion thereof worked at time and one-half (1 ½) his regular rate of pay. Payment for private duty will be made in four (4) hour increments. For each hour or portion thereof worked in excess of eight (8) hours, or any worked on a Saturday, Sunday, all contractual holidays listed in Article 9 of this Contract, or any hours worked between 2200 and 0700, the employee shall be paid at a rate of two (2) times his regular pay. Any portion of an hour shall be considered a full hour worked. Officers shall be paid a minimum of four (4) hours payment at one and one-half (1 ½) times his regular rate of pay for failure to provide a minimum of two (2) hours' notice of cancellation for a private duty job scheduled for less than eight (8) hours. Officers shall be paid a minimum of eight (8) hours payment at one and one-half times his regular rate of pay for failure to provide a minimum of two (2) hours' notice of cancellation for a private duty job scheduled with no specific end time, or private duty jobs scheduled for eight (8) hours or more.

Section 2b. Public Duty. An employee scheduled to work a public duty job (public is defined as a job requested for and paid for by another department of the town) for a regular four (4) hour shift or any portion thereof shall be paid for a full four (4) hours at time and one-half (1 ½) his regular rate of pay. For each hour or any portion thereof worked between four (4) and eight (8) hours, payment shall be made in minimum one (1) hour increments at time and one-half (1 ½) his regular rate of pay. For every hour or portion thereof worked on a Sunday, all contractual holidays listed in Article 9 of this Contract, the employee shall be paid at a rate of two (2) times his regular rate of pay. the minimum four (4) hour payment at time and one-half (1 ½) his regular rate of pay for failure to provide a minimum of two (2) hour notice of cancellation.

Section 2c. Special Duty. Select assignments made by the Chief of Police or his designee, which are not defined or recognized as Public or Private Duty, shall be considered “Special Duty” (i.e. Memorial Day Parade) and will be assigned without the Union’s requirement or expectation of advance notice, modification of pay rates, or additional compensation. Employees are not entitled to two (2) hours of advance notice of cancellation for Special Duty assignments.

ARTICLE 7 – HOURS OF WORK

Section 1. Patrol Division

Section 1a. The regular shift for members of the Patrol Division shall be comprised of five (5), eight (8) hour work days with two (2) consecutive days off. “C” Squad will be 1500-2300 or 1600-2400 hours. “B” Squad will be 0700-1500 or 0800-1600 hours. “A” Squad will be 2300-0700 or 2400 – 0800 hours. There shall be eighteen (18) job numbers consisting of the following shifts and days off:

JOB #	SHIFT	DAYS OFF
1	C Squad	Sat/Sun
2	B Squad	Sat/Sun
3	A Squad	Sat/Sun
4	C Squad	Sat/Sun
5	B Squad	Sat/Sun
6	A Squad	Sat/Sun
7	C Squad	Mon/Tue
8	B Squad	Mon/Tue
9	A Squad	Mon/Tue
10	C Squad	Mon/Tue
11	B Squad	Thu/Fri
12	A Squad	Mon/Tue
13	C Squad	Thu/Fri
14	B Squad	Thu/Fri
15	A Squad	Thu/Fri
16	C Squad	Mon/Tue
17	B Squad	Mon/Tue
18	C Squad	Thu/Fri

Section 1b. When a new shift or a change in established shifts is proposed, the employer shall consult with designated union representatives and, after considering their recommendations, shall not take any action unless the decision is mutually agreed to in writing.

Section 1c. The union president shall appoint a union member to administer the patrol division bidding schedule. This person shall execute the bid and inspect the results for compliance with the patrol officers bid rules. Once inspected, the appointed union member shall turn the results

over to the operations lieutenant no less than two (2) weeks prior to the start of the first day of the next bid selection period.

Section 1d. The bid shift period shall be for three (3), twenty-eight (28) day blocks of time. Patrol officers shall be assigned a time period in which to sign up according to seniority, from most senior to least, as determined from their date of hire. Officers may sign up as soon as the next most senior person has signed up. Patrol officers will forfeit their right to seniority if they do not bid their shifts during their allotted time period, unless an unforeseen and/or extraordinary circumstance prohibits them from bidding. Only a person who is a patrol officer at the time of the bidding process shall be allowed to bid except as permitted by Section 1h of this Article.

Section 1e. Patrol officers shall not bid more than two (2) weekend off job numbers in the three (3) month period and may not bid the same job number more than once. There shall not be any changes or swaps in the bid schedule until the bidding process has been completed. Any violation of these procedures may result in the patrol officer's forfeiture of their bid selection as determined by the union appointed administrator.

Section 1f. The Town shall retain the right to determine the number of permanent patrol shift assignments. Should there be a reduction in the number of patrol officers in the patrol division, shift assignment numbers will be eliminated from bid eligibility in reverse order starting with the elimination of Job 18 first, then 17, then 16. The total number of available job numbers will always correspond with the number of bid eligible patrol officers, but the total number of available job numbers to bid from will not be less than fifteen (15).

Section 1g. The four (4) least senior patrol officers will be designated as floaters. The least three (3) senior of these patrol officers shall be assigned to a twenty-eight (28) day schedule by the Chief, as he deems necessary. The shift shall be assigned with the same two (2) consecutive days off for that twenty-eight (28) day period. These three (3) patrol officers will not be included in the patrol officers bid schedule unless the total number of patrol officers allowed to bid is at fifteen (15) or less. The Chief may float any of the four (4) least senior patrol officers from their assigned shift to another as he deems necessary provided they receive notice of such change at least seventy-two (72) hours prior to the start of the new shift. No floater may be scheduled to work consecutive shifts. When a designated floater is one of the fifteen (15) most senior patrol officers, he/she will bid in the normal process. Although their days off and shifts are established by the bid, nothing shall preclude the Chief from floating them to another shift provided at least seventy-two (72) hours' notice has been given and their days off remain the same. A floater, on their last workday of the week if on "A" squad cannot be floated to "C" squad infringing on their forty-eight (48) hours off time. Nothing shall preclude floaters from being eligible for overtime assignments under Article 8 on the same basis as any other patrol officer. An employee currently in the Police Academy or in the Field Training Program (FTO) cannot be assigned/designated as a floater.

Section 1h. Whenever an employee is removed from their assigned duties for whatever reason (such as temporary assignments to other divisions, worker's comp leave, maternity leave, extended sick leave, etc.) they shall lose all privileges to their previously bid job assignments for that time

period. If an employee should return to their assigned duties, they shall fill their previously bid job if they return to patrol duty, beginning more than two (2) weeks prior to the start of that shift. If they return with less than two (2) weeks prior to the start of the next shift, they shall fill any empty job number(s) of their choice upon their return to the assigned schedule until the next three (3) month bid period in which they have an opportunity to make a bid selection. If an employee knows of their return date to assigned duties during their posted bid selection period, they may begin bidding for the first full twenty-eight (28) day bid period subsequent to their division schedule.

Section 1i. At the discretion of the shift commander for patrol officers and the commander of the detective division for personnel assigned to the detective division, members of the bargaining unit may be allowed to alter the hours of their assigned shift (known as “flextime”). The use of flextime will be by mutual agreement of both parties. The use of flextime shall neither cost the Town any overtime nor reduce the manpower to a level not consistent with present practices. The officer shall work a full eight (8) hour shift with the exception of authorized leave. Once granted, flextime shall not be withdrawn by the Town with less than forty-eight (48) hours’ notice to the affected officer. The purpose of flextime is to allow members of the bargaining unit to adjust the hours of work slightly from their assigned shift. Nothing in this section shall infringe upon the right of the bargaining unit under Section 1k of this Article (shift swaps). Flextime shall be considered on a case-by-case basis and is not intended for long term or routine occurrences.

Section 1j. Any employee may substitute for another employee on a single shift basis upon the approval of the shift commander whose shift is affected. The employee requesting such substitution should make every effort to make the request forty-eight (48) hours prior to the proposed substitution. Such substitution shall only be denied if it would impose an additional cost to the Town.

Section 1k. Nothing shall preclude any employee from swapping shifts with another employee for the twenty-eight (28) day work schedule provided that it does not result in additional cost to the Town. Such employee shall request the approval of such swap from the administrative lieutenant at least fourteen (14) days prior to the start of the twenty-eight (28) day work schedule and such approval shall not be unreasonably denied and may not be denied on the grounds of an employee’s productivity, attendance or discipline. Such swaps shall only be permitted among employees of the same rank. When a vacancy occurs in the patrol division schedule, any patrol officer may request to swap to that job number, and may be denied that swap only if said swap incurs additional overtime.

Section 1l. When a vacancy occurs in the position of a dispatcher, a patrol officer will not be scheduled into a dispatcher’s schedule. This shall apply to vacancies, which are of a prolonged nature and are reasonably foreseen by the department. This is not to change existing policies with respect to filling dispatching vacations, sickness (except prolonged) or other dispatching vacancies of a short duration. Nothing herein precludes the Town from using a patrol officer to fill dispatching vacancies not inconsistent with the contract, past practice and this agreement. The Town agrees to assign only those dispatch-qualified officers who are on the same shift as the vacancy. Nothing herein shall further preclude the Town from using a patrol officer, who is on

light duty status, to fill dispatching vacancies not inconsistent with Article 20, Section 25 of the contract.

Section 1m. When a vacancy occurs in the position of Detective or Youth Officer, the Chief shall post a notice to fill said vacancy, and shall require all interested officers to apply in writing within thirty (30) days of posting. In choosing an applicant for assignment to the vacant position, the Chief shall consider seniority, performance evaluations, and any other criteria, which he deems necessary and appropriate. Assignment to the Detective/Youth Division shall not be considered a promotion or permanent position for officers appointed after July 1, 2002. Those officers appointed prior to this date shall receive a five thousand dollar (\$5,000) annual increase payable bi-weekly. Any officer temporarily assigned to the Division at the time of the signing of this contract will continue to receive the stipend in the manner he/she is currently paid for the duration of their time in the Division and shall discontinue receiving said payments once reassigned from the Detective/Youth Division. Those officers assigned after that date shall serve at the discretion of the Chief. Those officers other than the Detective CO assigned after the signing of this contract shall receive a five thousand dollar (\$5,000) annual stipend paid quarterly on September 30th, December 31st, March 31st, and June 3rd, and shall discontinue receiving said pay increase once reassigned from that Division.

Within the Detective/Youth Division, positions shall be assigned by the Chief. Assignments for shifts shall be made by bid with preference to seniority within the Detective/Youth Division and shall be administered by the Detective CO with approval of the Chief. Staffing levels on shift shall be determined by the Detective CO with approval of the Chief based on caseload and department needs. Under an emergency situation either deemed or determined by the Chief, he shall be allowed to reassign members of the Detective/Youth Division to a different shift with reasonable notice.

Section 1n. If an employee is assigned to training, the employee is not to be used in a patrol/supervisory function or capacity during the assigned shift.

Section 2. Communications Division

Section 2a. The Communications Division bid shift period shall be for three (3), twenty-eight (28) day blocks of time. Dispatchers shall bid shifts within the bid period according to seniority from most senior to least senior. Any Dispatcher that fails to place a bid within the allotted time frame listed on the bid sheet shall forfeit their bid and will be placed last in the bid cycle. The Union shall be responsible to post the bid sheet.

“A” Squad shall be 2300 – 0700

“B” Squad shall be 0700 – 1500

“C” Squad shall be 1500 – 2300

Section 2a. Dispatchers will not be allowed to bid the same job number more than twice per bid. There shall not be any changes to an employee’s bid if the next senior employee has already bid. There shall not be any swaps in the bid schedule until the bidding process has been completed.

Section 2b. Nothing shall preclude any employee from swapping shifts with another employee for the twenty-eight (28) day work schedule provided that it does not result in any additional cost to the Town. Shift swap forms shall be submitted no less than fourteen (14) days prior to the start of the twenty-eight (28) day work schedule to the ranking officer that coordinates schedules. Such approval shall not be measuredly denied and may not be denied on the grounds of the employee’s productivity, attendance, discipline, or as a floater. This does not affect the ability of employees swapping single shifts among each other, providing there is no additional cost to the Town.

Section 2c. Full staffing of the Communications Division will be nine (9) full-time employees. A minimum staffing level of two (2) dispatchers will be assigned to dispatch from 0700 – 2300 on a work day.

Section 2d. Should there be a reduction in the number of Dispatchers within the division, job numbers will be eliminated from bid eligibility in the following order: Job #9, Job #4 and then Job #6. If there is staffing to the Communications Division of less than six (6) full-time employees, a temporary schedule will be developed and agreed upon by the Town and the Union. If staffing of the Communications Division falls below a level of six (6) full-time employees, Management has

the right, with notification and consultation with the Union, to suspend the minimum staffing level of two (2) Dispatchers 0700 – 2300 on a work day, until such levels are six (6) full-time employees or more.

Section 2e. When a new shift change in established shifts is proposed, or addition of full time positions that will make staffing greater than nine (9), the employer shall consult with the designated union representatives, and after considering their recommendations, develop a schedule.

Section 2f. Part-time Dispatcher shifts will be posted no less than twenty eight (28) days prior to the start of the twenty eight (28) day work schedule.

Section 3. Patrol Sergeants Division

Section 3a. The regular shift for members of the Patrol Sergeants Division shall be comprised of five (5), eight (8) hour work days with two (2) consecutive days off. “A” Squad SCO normal schedule hours will be 2300 – 0700 hours. “B” Squad SCO normal schedule hours will be 0700 – 1500 hours. “C” Squad SCO normal schedule hours will be 1500 – 2300 hours. There will be six (6) job numbers consisting of the following shifts and days off:

JOB #	SHIFT	DAYS OFF
1	“B” Squad SCO	Sat/Sun
2	“B” Squad SCO	Thu/Fri
3	“C” Squad SCO	Sat/Sun
4	“C” Squad SCO	Thu/Fri
5	“A” Squad SCO	Sat/Sun
6	“A” Squad SCO	Mon/Tue

Section 3a. The Patrol Sergeants Division bid shift period shall be for three (3), twenty-eight (28) days blocks of time. Sergeants will bid shifts within the bid period according to class seniority from most senior to least senior. Any Sergeant that fails to place a bid within the allotted timeframe shall forfeit their bid and will be placed last in the bid cycle. The Union shall be responsible to post the bid sheet.

Section 3b. Sergeants will not be allowed to bid consecutive job numbers and not be allowed to bid consecutive weekend off job numbers (Job #1, 3, 5) inclusive of the previous bid cycle. There shall not be any changes to an employee’s bid if the next senior employee has already bid. There shall not be any swaps in the bid schedule until the bidding process has been completed.

Section 3c. Nothing shall preclude any employee from swapping shifts with another employee for the twenty-eight (28) day work schedule provided that it does not result in additional cost to the Town. Shift swap forms shall be submitted no less than fourteen (14) days prior to the start of the twenty-eight (28) day work schedule to the ranking officer that coordinates schedules. Such approval shall not be measuredly denied and may not be denied on grounds of the employee’s productivity, attendance, or discipline. This does not affect the ability of the employees swapping single shifts among each other providing there is no additional cost to the Town.

ARTICLE 8 – OVERTIME COMPENSATION

Section 1. Overtime shall be paid for authorized work in excess of forty (40) hours per week or eight (8) hours per day and shall be paid at the rate of time and one-half (1 ½) for all hours so worked.

Section 2. Time paid, but not worked, due to illness, shall be considered as time worked for the purpose of computing overtime.

Section 3a. Overtime rates shall be paid for not less than four (4) hours to any employee called back to work for duty that is not contiguous, either before or after, to such employee's regular shift or last duty assignment. Overtime rates shall be paid for not less than four (4) hours to any employee called back to work between the hours of 12 AM to 8 AM, for duty that is not contiguous either, before or after, to such employee's regular shift or last duty assignment. In the event an officer is required to work beyond the end of his shift for a period of less than two (2) hours, overtime will be paid in increments of one quarter (¼) of an hour.

Section 3b. Except in cases of emergency, an employee shall not be required to work more than a half (½) shift in addition to his regular shift.

Section 3c. In the event that an "order in/hold over" situation arises for four (4) hours or more, a separate order in/hold over roster shall be established. Said roster shall be initially established based on reverse order of seniority and maintained on a rotational basis.

An employee shall be excluded from such an order in/hold over that would require him/her to work on an authorized day of leave, or on a regularly scheduled day off, including such days that the employee is working an overtime shift, unless no other employee is eligible to be ordered in/held over.

An employee shall be excluded from such an order in/hold over when he/she is assigned to training unless no other employee is eligible to be ordered in/held over.

Employees shall be given a minimum of seven (7) hours of time off between shifts unless no other employee is eligible to be ordered in/held over.

Section 4. The Chief, or his representative, shall establish overtime rosters, which shall be initially established on a seniority basis and maintained on a rotational basis. Regular personnel shall be given first preference for all overtime assignments, including assignments for private duty and public duty.

Section 4a. The Chief or his representative(s) shall fill all overtime by the use of a single computer overtime list initially established according to rank seniority (i.e. Sr. to Jr. Patrolman, Sr. to Jr. Youth Officer, Sr. to Jr. Detective, Sr. to Jr. Sergeant, Sr. to Jr. Lieutenant). When overtime needs to be filled, the individual who is at the top of the computer overtime list, at the rank where the vacancy exists, shall be offered that overtime first.

Should that individual decline the offered overtime, he/she shall maintain their computer overtime list position and that overtime shall then be offered to the next individual on the computer overtime

list. Such process shall continue until the overtime is filled. When the overtime is filled, the individual who has accepted and been assigned such overtime is to be recorded as being assigned such on the computer overtime list thus causing his/her name to be rotated to the bottom of the computer overtime list.

Section 4b. In accordance with current practice, the following procedures shall be employed:

- All district overtime defined as open district assignments shall be offered only to patrol officers before being offered to any Detective or Supervisor.
- All dispatch overtime shall be offered to full time dispatchers before being offered to part time dispatchers and to any sworn personnel.
- All detective overtime shall be offered only to detectives.
- All supervisor overtime shall be offered only to supervisors. No more than eighteen (18) paid sick days may be used during the first year of employment.

Section 2. Allowable sick leave shall accumulate up to the extent not used. If an employee was employed by the Town of Rocky Hill prior to his employment in the Police Division, he shall be entitled to sick leave accumulated while in such other employment which is not used, in addition to sick leave allowable under Section 1 above. In the event of absence of three (3) consecutive days, or if there is reasonable suspicion to believe that sick leave is being abused, the Town may request a physician's medical certification of disability. No such certification for absence of less than three (3) consecutive days shall be required except after written notice of suspected abuse is given to the employee involved. In case of suspected abuse, medical certification shall be by mutually agreeable physician, and the Town shall bear the expense of such certification.

ARTICLE 19 – INSURANCE AND RETIREMENT

Section 1. Introduction. This article and summaries included in the APPENDICES describe insurance benefits. It is agreed and understood by the parties that the insurance descriptions contained in this Agreement and APPENDICES are descriptive only and are not insurance policies. All questions or issues concerning insurance coverage and related matters shall be determined by reference to the actual insurance policy documents issued or possessed by the insurers. In the event of error or misstatement in this Agreement or APPENDICES, the insurance policies shall always prevail.

Section 5. Medical Insurance Waiver. Notwithstanding the above, effective with the issuance of an arbitration award, employees may voluntarily elect to waive in writing all health insurance coverage outlined above and, in lieu thereof, shall receive an annual payment of six

hundred fifty dollars (\$650) in cash. Payment to those employees waiving such coverage shall be made in equal payments during the months of November, January, April and June.

Where a change in an employee's status prompts the employee to resume Town provided insurance coverage, the written waiver may, on written notice to the Town, be revoked. Upon receipt of revocation of the waiver, insurance coverage shall be reinstated as soon as possible; subject, to any regulations or restrictions, including waiting periods, which may then be prescribed by the appropriate insurance carriers. Depending upon the effective date of such reinstatement coverage, appropriate financial adjustments shall be made between the employee and the Town to ensure that the employee has been compensated, but not overcompensated, for any waiver elected in this section.

Notice of intention to waive insurance coverage must be sent to the Finance Director not later than April 1st to be effective on July 1st of each contract year.

Waiver of premium procedures must be acceptable to the applicable insurance carrier and at no time shall the Town be deemed as a self-insurer under this subsection.

Dentists who participate in our dental programs agree to accept our allowance as full payment and may not bill the member for any additional charges except for the remaining coinsurance balance.

Non-Participating Dentists Benefits

In the event a non-participating dentist renders these services, the insurance carrier will pay the Maximum Allowable Charge for the location of service rendered. The member is responsible for any difference between the amount paid by us and the fee charged by the dentist.
