CONDITIONS

- All contractors working with in the Town's Right of Way shall be licensed, bonded and insured. The bond shall be in the amount of \$10,000 and shall be a 2 year bond, to be renewed by continuation certificate at ONE year intervals at the option of the Surety. The certificate of insurance shall be in the amount of \$500,000.
- 2 The conditions of this permit are that every person acting under the same shall at all time, and in every respect, carefully and truly observe the ordinance, rules, regulations, and specifications governing the work herein contemplated. It may be revoked at any time for breach of its conditions.
- 3 The permit shall be kept at the work being done under the authority, and shall be shown upon the request of any authorized person. Notice shall be given at the Engineering Department not less than 24 hours <u>before work begins</u>. At least 2 hours notice before placing concrete for sidewalks and curbs shall be given at the Office of the Engineering Department.
- 4 And the undersigned hereby agrees to become responsible to the Municipality for any and all damages that may result to said Municipality to any person or property in said Municipality, which said Municipality would be liable by reason for the construction of such work.
- 5 The placing of materials in the Highway shall be done in accordance, with Section 52-558 of the General Statutes of the State of Connecticut.
- The refilling of all trenches shall be done in a manner approved by the Director of Engineering & Highways or his agent, and the applicant herein assumes all liability for an damage or faulty construction which may occur in connection with the work herein stated, within a period of 2 years from date of the completion of the work contemplated.
- 7 The permittee agrees to abide by and perform all work in accordance with "Standards, Specifications and Procedures for the Installation of Utility System within Municipalities Belonging to the Metropolitan District Commission and any requirements made by the Municipality there under."
